Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner requested authorization to amend claim 7 to correct the Markush language therein and to delete reference to a method of treating cancer from the abstract as the allowed claims do not encompass a method of treating cancer. The examiner also requested clarification of the statement in the remarks filed with the 18 March 2004 amendment indicating incorporation by reference of the 5 December 2003 amendment. Applicant's representative confirmed that the claim limitations present in the 5 December amendment are not to be incorporated into the 18 March claim set..
